

12th PA Culture Strategic Project  
Development Workshop

CULTURAL AND CREATIVE  
**INDUSTRIES**  
IN THE BALTIC SEA REGION

# POLICY Area CULTURE!

DATE: 18 May 2021, 9:00-16:00 CET  
VENUE: Szczecin Incubator for Culture  
ADDRESS: al. Wojska Polskiego 90, 70-482 Szczecin  
+ online presence possibility (ZOOM Platform)

The forthcoming edition of the Workshop is devoted to the current situation of Cultural and Creative Industries (CCI) in Baltic Sea Region.

The coronavirus pandemic restrictions measures, which were introduced in European countries, have a severe impact on condition of CCI and all entities, who are dealing with cultural affairs. To overcome current and future uncertainty, it is essential to strengthen the CCI, in particular the sectors most affected by the crisis.

CCI micro, small and medium-sized enterprises, non-governmental organisations and other actors have severely suffered, however they are responsible for reinforcement of cultural diversity and to a great extent they are its vital force. Therefore, they deserve more appropriate assistance to overcome negative effects of current crisis and stimulation in new way of distribution their potential.

## Goals

The workshop is to result in an analysis of the CCI in the region regarding below-mentioned aims:

- to identify impact of coronavirus lockdown on CCI;
- assistance (also public financial aid) which was given to the sector;
- „adjustment” to the new reality: is there a new innovative approach?
- to identify how CCI can help to overcome coronavirus crisis in society;
- to identify how to support CCI in non-financial ways - what wide-ranging activities would be most helpful:
- promotion of CCI creativity, strengthening the demand for CCI offer, promotion of CCI creativity by the media.
